

Unstash That Trash!

Community Picnic, Resource Fair & Recycling Event
September 16, 2017

EVENT IMPACT

- 20 vendors provided environmental education and recycling opportunities
- 500 attendees recycled nearly 20 tons:
 - 10 tons of electronics
 - 7.5 tons of paper
 - 2.3 tons of clothing and shoes
 - 28 lbs of medication
 - 25 lbs of household goods for upcycling
- Diverted 86% of event's lunch waste from the landfill!

THANK YOU!

Thank you for making the 3rd Annual **Unstash That Trash** event such a terrific success! The Truitt Law firm has grown **Unstash That Trash** into a much-anticipated annual event! A special

thanks to St. Louis Community College William J. Harrison Community Center for hosting **Unstash That Trash** at 3140 Cass Avenue.

People from across St. Louis lined up to recycle specialty items! In addition to, families enjoyed a fun afternoon of hands-on learning activities that encourage environmental stewardship, free Vernon's BBQ, music from Affordable DJ Services, art projects and a rousing community engagement session.

Thank you for helping encourage responsible recycling and waste management in underserved communities. We'll see you next year!
